ART MUSEUM PROVIDES SLIDES TO LIBRARIES

The Cleveland Museum of Art is making available for the first time slide presentations to any public library with the facilities to project them.

The slide shows are designed to illuminate the special exhibits currently on view at the Museum. The exhibition, SCULPTURE OF THAILAND, which opens to the public on January 10, is the subject of the first presentation. The program includes approximately 15 slides, illustrative and descriptive, and runs automatically.

It is hoped that the libraries wishing to partake in this service will provide a list or display of publications relating to the particular slide show.

For further information please contact Janet Mack at The Cleveland Museum of Art, 421-7340.
